Other facts the media and government does not want you to know about the Covid Injections:

- Toxic ingredients contained in the Covid injections including but not limited to Graphene Oxide.
- The messenger RNA in the Covid injections is not natural and was created by computer simulation.
- The Covid injections do not meet the legal definition of a Vaccine, IE the Covid injections do not provide immunity and do not prevent the transmission of Covid to others.
- Everyone who gets the Covid injections is taking part in a medical experiment which are still in the 4th phase of clinical trials for long term side effects.
- The companies making the Covid injections can not be held legally accountable for side effects, injuries or death caused by their products. You have no legal recourse for harm and damages!
- Over 10 thousand deaths and hundreds of thousands of serious adverse reactions according to the Vaccine Adverse Events Reporting System.
